“ *Even though I had not seen Harless since I left Virgie in the early 1960s, it still hurts to learn of the loss of an old friend. May God watch over the family.*

*Harless and I started school together at the Lower Long Fork one room school. We had many joyful times there and at the ole fifth grade building located on the hill at Virgie. After he went into the military and later moved to Michigan, we lost contact. Remembering childhood friends is a precious treasure given to us as we live through the twilight of our years. I will truly miss him and hold his memory dear to my heart.*

*Rest well old friend,  
Larry Burke*
