“ I remember all the times Harold would come down to the cabin in Menifee county when I lived next door. He would always come over and we would chat about weather, hunting and fishing. He was one of the few people I looked forward to seeing when I would plan trips out there after graduating. I never worried because he was around to look after things if I wasn't around. I will miss him. Pam, if you ever need me to go check on things out there, let Lillie or my mother know and I will go out there.

“ A few years ago I was building a set of steps for a close friend of ours. Harold had to park approximately 75 feet away. It was early afternoon and him and Dale had stood by Harold's truck about half an hour talking while I worked. I heard a noise and when I turned around there stood Harold with tears in his eyes. He grabbed me and hugged me and said "Tim I just want to thank you for being a close friend and I love you." That is one of the best blessings I have ever received. Pam, me and Dottie love you all and are praying God's love and peace overrides your sadness.

“ *Papaw was always looking out for all of his girls. I can remember going four wheeling with him all the time. We had our pwn little secret spot on the mountain. I remember packing a little lunch and putting it in a cooler on the fourwheeler and he took me to the top of that mountain and we had a little picnic there. We would go up there and just sit and take in nature. He always told me not to drive to fast or I wouldn't get time to enjoy the scenery. The same goes for life. Don't take it too fast or you'll miss the beauty of it. I love you papaw.*

“ *My youngest memory of my entire life was when it snowed three feet when I was a young child. Our power went out and Pam and Harold still had power at Garden Village. Harold came to get us and carried me to the car because the snow was taller than my head. My first memory is of Harold protecting me.*

“ You may be gone in physical form, but never from our hearts. You were truly one of a kind. Only man I know that can cook a steak in 3 minutes. (inside joke). I will always cherish the memories I have of you growing up as a child and now as an adult. I can't help but think of the great times we had and I will forever hold those memories close to my heart. You will always be missed and loved by many. Until we meet again uncle.....
