“ *many things i have lost  
many things i thought i had and didnt  
but losing you was hard to do  
it made me lose my way  
it made me think  
i knelt down to pray  
and i knew you were there too  
help me find my way through  
i still feel you near  
but your voice i just cant hear  
what are you trying to say  
i know i will find out one day  
you left me here to cry  
you left me here to hurt  
but i refuse to ask why  
we shall meet again one day when my body returns to the dirt  
many years away i hope that may be  
i have children, them grown i would like to see  
they too miss you  
but we know you are well took care of  
we know you now dont hurt  
but it still hurts so deep  
that sorrow has no choice but to seep  
from my eyes shown as tears  
is my pain full of good memories throughout the years  
i do miss you and i guess i always will  
all i ask is help me find my way  
i know your not hungry and not ill  
you are happy and you are free  
for the land of glory you got to see  
i love you a lifetime through*
