“ *My memories of papaw are from when I was just a little girl. I remember how he loved his garden and how he was always trying to give me vegetables that he was so proud he grew himself. There was nothing but kindness and so much love when we visited. You will be missed so much papaw.*

“ Even though I walk through the valley of the shadow of death, I fear no evil; for You are with me; Your rod and Your staff, they comfort me. Surely goodness and mercy shall follow me all the days of my life; and I shall dwell in the house of the Lord forever...  
I leave this prayer for you J.R. with hopes for eternal peace. I am thankful for the care you provided to my mother as your health limited you. You were a good grandfather to my children and will truly be missed. Rhonda Wilson

“ Harold Mullins was known to me as "Papaw" . I can remember him cracking black walnuts and taking me down to the creek to see crawdads. I will always remember those precious moments as he was always good to me. May he rest in peace-Melissa Crum
