“ Harold was one of my favorite people!! When I would see him I would know that no matter what I had going on, talking to Harold would put a smile on my face!! He was always good and kind to me, he always asked about my Mamaw and Aunt Sissy because he genuinely care how they were doing! I was fortune enough to see him one last time when, by coincidence I ran into him at the pharmacy last week. As usual, when he got out of his truck I was happy to see him and a big old smile ran across my face. Since we got there at the same time I was fortunate enough to spend the next 20 minutes or so aggravating him and listening as he gave it right back to me while we cut up and enjoyed our few minutes together. I truly believe that God allowed me to see him and let us enjoy each others company one last time!! In true Harold fashion he made sure to tell me to say hi to mamaw and tell her she's getting old haha. Even though there were over 40 years separating us, Harold Roberts was my dear friend and a man I will always greatly admire!! Even though my heart breaks because I will never see him again and never have the chance to aggravate and joke with him again I am most sad because I won't get to talk to my friend anymore!! But I won't cry too much because I take great comfort in knowing I will see Harold again walking the streets of gold and knowing that he is in the arms of Christ our lord and savior!! So I will not say goodbye to Harold. I will say, "see you soon my friend. Save me a seat in Heaven so I can joke with you again one day"!!
I love you Harold and we will see each other down the road!!
