“ I'll never forget my Aunt Marlene, we would go spend weeks at a time with her, she would always fix me my fav meal her baked spaghetti on Texas toast, with mozzarella cheese melted on top it was by far the best, and on the weekends uncle Paul would take us to Ramsby it was a huge flea market, it was so much fun, then of course we would sneak out away from aunt Marlene and go down town In Jenkins and play the arcade games with Paul Alex , but Aunt Marlene favorite thing to do was play Bingo on the scratch offs, she would win a lot, but send us back to buy her more Bingo tickets, we also had some really fun times she would come spend weeks at a time with my mommy, up in hall hollow, she always was so fun to be around, her and my mommy got snowed in up in the hollow, and they bundled up, and walked out of there and walked all the way to my house, they was frozen to death when they got there but we sure had some fun times love you Aunt Marlene, now your up in heaven with all of your family, my mom and daddy also and Chase, can't wait to be with you all some day soon, you sure will be missed, love you forever thanks for all the great memories, love you Debbie Hall Thornsby ❤️😊
