“ *One of the best friends and coworkers I ever had. He had a heart of gold. I could always count on him to be there anytime I needed anything. And many times he would go out of his way to do things for me that he didn't have to just to show me he cared. Will miss him dearly. Rip brother*

“ I will never forget you Jimmy. So many great times and memories that will never be forgotten. You were such a kind and giving person. Who always placed everyone above yourself and helped anyone in need. I'm going to miss coming to your house talking about life and cars with you. I'll never forget you man I came up to check on you today to find out that you had passed away. I wish there was more time. The funny times and good memories will never be forgotten. I am still in shock and can't believe that you are gone way too soon. Thank you for always being such a wonderful friend. To your wife and family I'm sorry for your loss my thoughts and prayers are with you all.
