“ I can honestly say I loved her and she and I would just see each other any where and we both pretty well knew what our conversation would be about how was our families and how we was thankful to our good lord jesus often times we would say to each other this ole world is getting weaker seems to me, and as I would be leaving she would say remember me and mine in your prayers, Brother Kermit. Sorry for the family and friends I too lost a very close friend.
