“ I went to school with Jeff and I hate to hear about Jeff’s passing. His mother was one of my all time favorite teachers. He’s in a better place today without any pain or fear. My prayers and thoughts are with the family.

“ Jeffery was like a 2nd dad to me. He never let anyone mess with me, we spent thanksgiving all the way to Christmas up until January of this year together as kinda like a patch work family you could call it. I did stuff with Jeffery, that I should have done with my own dad. Thanks always JJ ☆☆☆☆
