“ Lots of memories of you and me daddy. You taught me how to swim and drive a stick shift at that. You were such a good dad and grandpa. We were so blessed to have you in our lives. Thank you for all the good memories you have left in my heart and the hearts of so many. I just got out of prison daddy and it's so hard not having you here with us. I know you are in Heaven watching over us and we will see you again. You would be happy to know that I'm sober now for 15 yrs. I'm saved. And Jesus has changed my life daddy. Thank you for everything daddy. The kids miss you, my brother and his family miss you and I miss you. But thank you for always being the loving dad and the best dad that God could have ever given me and my brother. And the best Papa ever. We all miss you daddy. Can't wait to see you again what a wonderful day that will be. Love you and truly, miss you more and more each day.

“ *I am so saddened by Jerry's death. He has always been a favorite cousin of mine. He always had a smile on his face and was making jokes. Even though I haven't seen him in many years, I thought of him often and I would always smile. I pray God will comfort your family and I am proud to be one of the.*
