“ *Jimmy was one of my best friends and I mean best friends growing up and we kept that friendship throughout the years. I will never forget him as long as I live. Truly, one of a kind that I sincerely respected. My friend grew up hard which in my opinion made him what he was to this day, that very kind person everyone has talked about. Lots of memories, shot guns, hunting and exploring the whole area just to mention a few things. Jimmy had been taught a lot of skills and responsibilities by those whom he worked around growing up. He loved horses and especially hunting dogs which we were always trying out and hunted all year long one way or another. It's such good memories like these of such a humble man that makes me proud to have known him and that I had been part of his life as well as he had been part of mine... RIP. MY FRIEND.*

“ *Jimmy called my mother Daly to check on her and he loved her as my mother loved Jimmy even though he and my sister divorced many years ago. My parents still loved him as he did them!! We all grow older and wiser, so thankful for the relationship Jimmy had with our family and especially the way he cared for Mom in her final days!! We love you Jimmy and the Godly man you were!!!!*

“ Brother Jimmy was loved and will be deeply missed by his home church. He was always willing to help anyone in need. He loved Jesus, he loved kids and he loved to talk.
Our flesh is sad but our spirit is rejoicing because brother Jimmy has made it to where he longed to be. He will never be forgotten by us or our church.

“ I met Jimmy this summer, he said to call him poor ole Jimmy, he had a great personality, and was very nice to me. He took me to dinner, and we rode around the pond near his house. I'm very sorry for the loss of Jim, would have liked to have got to know him better.

“ Jimmy was so kind to Lonnie when he was sick. And he checked on me everyday there after. He was a most generous , kind soul. He was good to everyone. He loved giving his bounty from his garden. He brought mustard every fall. And would pick poke salad and dry land fish in the spring. I will never forget his kindness. But I know he and Lonnie are rejoicing in Heaven.
