“ I have only known him a short time. He told me a story that sold me on who he was. He had gone to buy a mower, the man wanted \$300 for it. He went and he offered the man \$250 for it. When he got home he said he was distraught, he said what if the man needed that money for something really important. He told me the enemy had got in the way. So he returned and gave the man \$100 more. He asked the man to forgive him, like me when he told me this, the man was moved. We were instant friends and we talked a lot about our grandsons who we both love so much. I had not seen him in a while and was thinking about him last week. My first thought when I heard this was the Rapture has begun, because I think of people like him when I think of Godly men. I am sad for myself and I rejoice for him, because oh what a day this is. He is Home! He will be in my prayers. We serve a special God, at some point our sorrow will turn to Joy! Thank you Lord for allow me to be apart of his life.

“ *I remember John and his wife being in my shop and I had a baby kinkajou in there. He was so mesmerized holding that tiny little creature and was smiling from ear to ear. He was such a graceful man and I really enjoyed his company. Rest in peace with our Lord now. You're work on earth is done and you suffer no more.*

“ *He was such a Very Nice man! He could always put a smile on your face even if you was having the worse day ever. He will surely be Missed by a Host Of Family and Friends. If you didn't know John Fred u didn't know anyone he was just the type of person that there was no way you could ever have anything bad to say about this man and if you did there had to be something very wrong within yourself.... You all are in our Thoughts and Prayers! We all Love you and we r here if u need us.. God Bless each and everyone of you during this difficult time and times to come.*
