“ John was one of my students in middle school and he was always so good and respectful to me. He would come to my room during lunch and break because he said he didn't want to get in trouble. If anyone in class was being disobedient or not paying attention, all he had to do was give them a look or snap his fingers or say, "You better listen to Ms. Leshia," and they would! I have nothing but good memories of John and he will always hold a special place in my heart! I pray for his family, that God will surround you with His love and peace! Love to you all!

“ *I had only met John a few times through my fiancé Shane, he went to school and grew up with John & Matt both! John always seemed to me to be a good person! Tommy Dale I was raised around & it has really caused a lot of mixed emotions for me! My love & prayers are with both families through these next few days weeks to come! Praying you find peace & comfort in your time of need! The family, the long time spouses of both men & their children! God Bless those babies! This is such an awful tragedy! Rest in Peace my friends!*
