“ I'll always cherish that summer on little Robinson. We had so much fun. Our meeting place was always that graveyard on the hill behind your house. We should have kept in touch. I'm sorry life leads us different ways. Distant cousin nonsense, you were my family & this breaks my heart. God bless your mommy, shes gona have it rough without you. I pray youre okay in the next life and have none of the issues you had hear. I hope you're at peace now. Love you always.
