“ *I'll never ever forget Joe, nor the time he called me to come up to his house to check out a new liter of full stock Britney pups, well Joe had other things in mind. He gave me pick of the litter just so I would start bird hunting with him. I loved Joe*

“ Joe. Hackett was a kind thoughtful, generous man. He met me at his grandsons Noah 1st birthday party seen I had arthritis and was hurting next week at work he sent me bottles of bio freeze to me from Rebekah. Never asked for it, he was just a thoughtful caring person. The whole family is. I am sure he is proud of all of them to.

“ *Such a kind man and he would do anything for anyone! He helped us to fix things around our house and helped repair one of our cars and would not let us pay him for it! He taught me how to bass fish on the French Broad River here in Tennessee and I will always think of him each time I am on that River! He was someone you might meet once in a lifetime and I count myself lucky to have been his friend and am richer for knowing him. I miss you already Joe and pray for your family and friends. Hope I will see you in heaven when its my turn. Love you and Kim very much. Good bye my friend until I see you again!*
