“ *Josh and I were roommates on South Campus here in Columbus back in 1999-2000. I'm from Pike County origiannly and didn't know Josh when we were in high school. We had a lot of mutual friends which helped us become really good roommates. He introduced me to a lot of John Waters movies I hadn't seen yet. I just found out today that he has passed and I'm deeply sadened. He was a great guy.*

“ *Josh was a dear and close friend. I truly loved him like a little brother. We shared so many interests that were unique to the two of us. I'll never be able to find a buddy with whom I can talk about Joan Crawford and insane movies with in quite the same way. His humor, charisma and talent will forever be missed. My world just got a little darker for having lost him. A big piece of my heart will forever be with him. Love ya buddy.*

“ I can truly say that Heaven has another Angel with you...I can say that 1 of my fondest and first memories of you, is that you were my first ever boyfriend! I have the pictures of us back then and they are so sweet and make me laugh everytime I look at them! The next memory I have of you , is your pool....this was the highlight of my summer! We never had a care in the world and we always laughed and competed for who could get the rings at the bottom of that pool that our Uncle Vernon threw in for us! I say this with a very heavy heart...you will be greatly missed and I Thank You for being my friend!!!!

“ I'll never forget how excited Josh was over finding that little sick kitten. He IM'd me saying, "I gots a kitten!!" and the whole next hour we talked about his kitten. He lived and loved with such passion. He put his whole heart into everything he did. I'm so glad i was a part of that. I will never forget his smiling face or the sound of his voice saying, "hey, lady" when I'd answer my phone. I miss u, Josh.

“ I am going to miss our stupid conversations, your talent, your caring. You were one of the few people I never lost touch with. How could I? You were Josh. The person that introduced me to Tori Amos, who always knew how to make me feel better about me, Shopping with you was nothing short of an adventure, I can say that. Be at peace, baby.

“ I've spent the last few days thinking back to freshman year, and the nights spent hanging out with you and Chris playing Quake and the 2 and 3 a.m. Wal-Mart runs. You were the most unique and individual guy I've ever known and I'm proud to have been your friend. Your talent as an artist never ceased to amaze me, and I have no doubt my life is richer for you being in it. Peace to you, and heartfelt condolences to your family.

“ *My favorite memory of Josh was the two of us jumping on the trampoline at his parents house. We were so young and would stay out there for hours, while running in and out of his house, probably driving Patricia, his mom, crazy. We had the best time together and those were definitely the days and I will never forget them.*
