“*Juanita’s kindness equaled the strength of her faith. She and Jesse were so wonderful to our family when we were fortunate to visit with them when they would vacation in Florida. My heart and sympathy go out to Joe and the Mullins family at this time of loss. Juanita and Jesse are reunited and that’s a true blessing.*

“*Juanita was a beautiful person and wonderful cousin! She and our mom had a special bond, and she was a very important part of our lives. She always made you feel special, and with her great sense of humor made everyone feel at ease. She was so selfless and caring. She and Jesse took care of Joe as if he were their own. Their relationship was one of heartfelt love! Joe Gordon, she loved you and your family unconditionally and loved to share what was going on in your lives with others! We will truly miss her, think of her often, and never forget the loving impact she made on our lives! Joe, we love you and your family and pray for all of you!!*

“ *Juanita was one of the most caring, compassionate, and kind hearted women I have ever met. She always thought of others and made sure to take care of them before herself. I'll never forget the precious moments we had together or the way she made me feel beautiful with thoughtful compliments. I'm so blessed to have known her.*

“ *I am so thankful Juanita became a part of my life through Joe. She always had a kind word, a happy smile and a listening ear. She asked about each member of the family, knew what we were up to, and loved unconditionally. Thank you Joe for sharing your mom with my family. I love you and will miss her very much.*

“What beautiful pictures and a beautiful tribute to both Juanita and Jesse. I'll never forget the first time I met her. Knocking on your door and she told me that “Joe and Paula had to leave and I'm here to let you in.” What a fun sense of humor! I have warm and fond memories and am blessed to have known them both. Love to you all.

“Juanita and Jesse always had a pretty display at Christmas time. We would take our grandchildren by to see. Juanita was a member of the Robinson Creek-Virgie Homemakers for a while. I remember she had a love for reading.

“ I met Juanita when I married into the family... we “took to each other” like peas and carrots. Our friendships became almost a sisterhood, with nightly phone calls and check-in’s. Whenever any time lapsed between our talks we picked right up where we’d left off. We never had an argument. I will miss my sweet friend so much, she was more like a mother, full of advise and a non-judgemental ear than just a friend. There will be a place in my heart for you forever my friend. I’ll meet you in the morning with a how do you do...
