*I always saw Judy with a smile. I saw what a struggle she had by keeping up with the Prayer requests. Although her struggles are over and ,her pain is gone it won't be easy to let her go. Hang on to your memories and you will always have her close to you. I will be thinking or your family in the days ahead. Karen and Patty my heart hears your heart break. Losing my sisters is one of the hardest things I've had to do but with Gods help we made it so keep him close and take one day at a time.*
