“ *When we were in grade school Judy and I played together . She would go home for lunch and sometimes I would go with her. Dolly - Judys Mother- would make a water bucket full of kool-ade , I always got some every time. My Mom and Dad never knew and no one ever told them. I wasn't supposed to stop or go to anyone's house without permission. We also rode bikes to a huge slate dump . We would see who was bravest and would ride down. We neither one would. Lots of fun when we were young. I am sorta jealous 'cause you beat me home. I will always remember the good times. I will see you again!*
