“ *Karl was my uncle...my favorite uncle...i have so so many great memories of him.when i came from michigan to live with him and my aunt he showed me so many things that i will never forget...he taught me how to parallel park,how to turn a ladder into a sled.he re wrote the bad boys song from cops for me.it was so so funny..he had so many amazing ideas and was so handy...he could make anything out of anything. ...his sense of humor was out of this world..he could make anyone laugh...his love and kind heart will always stay in my heart..he was truly one of a kind and my favorite uncle...i love u..i will never forget all the great memories we share.*
