“ We have shared the memories of being Cousins and shared the deep hurt of losing the loved ones that came before us. Throughout our lives we have loved and respected our families as it should have been. I have no brothers or sisters but have always considered Kenny and his Brothers the same as if my own. Time, distance and others events will not allow me to physically attend the services; I will be praying for his family and thinking of Kenny in the comfort of knowing his suffering is no more. May God help ease the pain in the passing of Kenny Edward Bentley.
