“ *Sis, you always had the biggest heart. Always helping anyone you could, any way you could. Always apologizing even for things you had no control over. How I wish this ole world had a few more hearts like yours❤️ You held a very special place in my heart for a long time. I pray you're hand in hand with my brother, singing & dancing to Stevie Nicks, laughing so loud it sounds like thunder down here, no more pain & suffering, and as happy as youve always deserved to be. I Love You Sis*
