“ *As a child, he was my hero! Being some years older than me I loved tagging around after him. He loved to go hunting & target practice. Often he brought back baby animals for mom to take care of cause they no longer had a mother -baby Birds, ground hogs, rabbits. One time he took Me for a ride on his bike. He drove us into the creek & we wrecked & fell into the water. When I stood up there were leeches on my legs. I panicked as he laughed & got them off. I have a zillion memories of him as a child, then as a teenager when he was my friend & he has always been a very special & important person in my life. RIP uncle Gene*
