“ *I have to say more about this extraordinary woman. She was such a huge part of my childhood. She is more than a aunt she help me so much. From helping me through the first days of school cuz I cried every day, to pulling almost every loose tooth I had. She was an AMAZING cook you just don't know. She was the sweetest most humble person. Female version on my dad and her brother Lindy. I love her so much and will treasure every memory and thank God for everything she done for me and everyone else lucky enough to know this beautiful woman.*

“ Sorry for this loss of your Mother. When days ahead get too much to bear hold onto God and each other. Find comfort knowing you were blessed to keep your Mom until God took her to his beautiful garden. I know this does not make it any easier to give her up but now she is living the good life
