“ *I hated hearing the news before Christmas. Our hearts were broken. We all loved working with her, she was loved by all!*

My prayers are with the family during this difficult time.

Tiffany your Mom loved her children, she talked about you all the time.

It's just hard to believe she's gone to her forever home, but know you will

see her again some day! Heaven has gained a beautiful soul!

Forever in our prayers,

Mary Miller

“ *My beautiful sister and best friend. You were taken too soon from us. I am heart broken that I won't get to see or talk to you again or hear your laugh. I am eternally grateful that God blessed us with you. I love you very much and always will. You will forever be missed and loved by many. I will cherish every single memory until we meet again.*

“ *My heart is broken. Michele was a special person. She always called me Mommy Fred. I still have the Christmas plate she made for me. She always called me on my birthday and I'd make fudge for her and her family on Christmas. My heart is broken for my friend Alice and all the family. Prayers ❤️*

“ She was my first "little girl". I still can see her running to the door in her little night gown when I came home on Fridays from Morehead. She knew I would be bringing her a gift. I love you and will miss you.

“ I remember helping her and Michael into an apartment here in Colorado. Hooligan was happy to help. She was a huge support through my sobriety. She was a close friend and I am sending love and prayers to Michael the kids and love to the pups. She will be missed.

“ Michelle will be missed by so many people and definitely by her beloved dogs. It is always sad to lose a loved one but to lose a young loved one unexpectedly and so quickly is definitely shocking. My heartfelt sympathy is extended to her family and friends.
