“ I will never forget her driving her green van to Robinson Creek Elementary and carrying her igloo cooler of Tab. We all competed to see who could carry it out to the van at the end of the day. Every time I see Tab I think of her. She will definitely be missed. Rest in peace Ms. Little.

My Sister was a strong woman. She overcame many obstacles in her life. She was a very admirable person who shared with me her strength in dealing with Kimberly's death. I lost my daughter, Sandy, it will be 6 years in May that she went to be with the Lord. Nell talked to me and said you just deal with it on many occasions when I would reach out to her. One thing she said to me was ,you have to put your time. I didn't understand that particular wording but I have come to realize what she was saying. I was so appreciative of her for sharing As I said she was a strong woman. It doesn't mean it takes time , but you have to put your time in.
