“ *Lora Ann was more to me than just an Aunt to me. She treated me like I was her own. I remember sitting on her porch when I was younger stringing green beans, riding in the car with her and Julie listening to Conway Twitty, and the Christmas and thanksgiving dinners she cooked so well. She was always laughing and cutting up. I remember her always saying on her birthday she was sweet 16 and never been kissed. I'll miss her contagious smile and laugh. Aunt Lora Ann was beautiful inside and out. She will truly be missed.*

“ *Aunt Lora taught me how to make Chocolate Gravy. Now I make it for everyone, even the students that work in my office. They love it as much as I do! I have the hand written recipe Lora wrote out for me, then showed me how to make it. I will cherish the recipe, but most the memory of Aunt Lora showing me how. Willie, Billy and I will miss her more than words can say. We love you Aunt Lora!*
