“ *From the time I was very young, I remember both Loretta and Bobby Gene as being kind, caring, and giving and remaining that way throughout the years. They always took the time to talk and visit. Our family is grateful they lived a few doors down, which allowed us, and especially my Mom to have that special bond as family, neighbors, and friends, sharing conversations with Loretta multiple times each and every day, and being there for each other. Sincere Condolences.*
