“ I met your Mom at the walking track. We had many talks about life's ups and downs. We talked about gardening and she shared her tips. We talked sewing, shared recipes, had serious and funny conversations, but she was more excited to tell me about her children. I knew some of you from school and by the time she educated me I felt like I knew the rest of you guy's. She was a hard working woman with a positive outlook on things. I was Blessed to have gotten to know her. Sorry for your loss.
