“ *Luke was always so kind Hearted, so Loving, Caring he was the type of guy that could put a smile on your face even in ur worse day and he was the type of guy that would have given you his shirt of his back or his last bite of food he had in his plate. I will never forget that smile he always had on his face and that laugh of his. If you had gotten to know Luke you had gotten to know an Amazing Man that's for sure! I'm Praying 🙏 for each and everyone of you during this difficult time and times to come. May God just Wrap his Precious Arms around each & everyone of u today, tomorrow and the days to come AMEN!*
