“ I am so sorry to hear this about Mark. I had no idea, and when I read it and saw the age, I stopped everything because I knew it was him. We played lots of music together during the mid 90's up until the early 00's. He was always a good friend and we shared some happy times together through our music. I just listened to a cassette tape he recorded of our band practicing music up at Ann and Lilburn's living room back in 97 or 98. God loves you and you are in my thoughts.
