“ I remember all of us growing up on Long Fork. In the summer we would build a damn in the creek to swim. One day some of the parents tried to find out what we were doing. We were baptizing each other. We sure had fun growing up together. Susan I am so sorry. I know how much you two loved each other. Melissa your daddy loved you so much too. I'm sorry for your loss too. Prayers for your family. God bless you.

“ Susan, sorry for your loss. I hope you can get comfort with the memories you have of Mark. When things start getting you down and you need to smile just think of some(at least one) of the conversation we had in the back of(the old) Old Union Church when Mark lit up like a ball of fire! I Love you and if you need me, I am here.
