She would go get another one when u was finished or you both having a laugh together ! My time with you and Kyle and Kevin we made alot of memories and seeing that smile when they came in you knew they made it back home and you knew they were safe ! Walking through the door and seeing that smile and you would say u missed us or if Stella didn't come it was always where's that beautiful little girl ! In the short time we was together Stella and I will undoubtfully look bad our our pictures and videos of us all enjoying our time with each other ! Till I see ya again on the other side you're finally free at last and I know you're up there singing in the beautiful angel choir and singing ur favorite songs to the Lord !
