“ I remember mom loved her cross word books and her puzzles. She loved to read all kinds of books and loved her crime shows along with her old westerns. Mom loved going to Kentucky when ever she had a chance to go. Mom lived it when Ashley made her famous brownies and talked about the books they have recently read. When Ashley was little she would put her in a laundry basket right beside her when she was sitting in the couch. Mom was an Angel she had a heart of gold, she touched so many people, she was never thought of herself it was always about everyone else. I love you mom and I miss you so very much.
