“ *She was a great grandmother, she was a very wonderful cook that never let you go hungry. Thanksgiving and Christmas she always fixed everyone a pie for there self. I love my Granny very much I already miss her and Papaw very much. She had a heart of Gold and she belived in Jesus. She couldn't wait to go to church every 3rd Sat & Sun.of the month. She loved her dog Buff very much and he did her too. He would set in her lap like he had to protect her. When you got close to her he would bark at you. Everyone was afraid to get to close to her because they was afraid he would bite them.....Granny I Love You and miss you very much :(*
