“ John & Arden Little:I remember riding your mule up and down Turkey pen and watching you milking a cow and feeding a cat 10 feet away. Another good is riding in a car that looked like a old time gangster car. RIP.

“ My deepest condolences. I am forever grateful that Uncle Maurice came into my life. After so many years it was like we knew each other. He was funny ,loud and just crazy,maybe that's why we clicked 🥰 my two older boys just loved him especially sheldon. He took to Uncle Maurice and was happy to visit him at the farm. Thank you for coming into my life and my children's life even though we didn't see each other much. You will always be remembered. Fly high
With Love,

Rachel, Tony (husband) and boys sheldon,isaiah,Marlin and Parker

“ Certainly hated to hear this of an ol buddy whom I got to know during our Pikeville College days! Always enjoyed being with him whether it be class or just hanging out. "BIG Mo" as us college buddies called him was a hoot and always full of laughs with us. Shoot he even taught several of us to dance in a class he taught at Pikeville College and that was a blast! Maurice, Robby, and Abby were always good to me when I would visit their home. Rest In Peace ol buddy and someday I pray to see you again on the other side!!! Prayers and Love for the family during this saddening time!!!

“ My husband's lifelong best friend. You all had lost touch in the last years; life, time and distance does that to relationships. But Pat never stopped calling you his best friend.

I will never forget you coming to Columbus when they told us Pat was brain dead and wanted to remove life support. I felt so alone in feeling that he was not going to die and your strength helped me through that time because you didn't feel it either. You sat by his side in ICU and refused to leave when they told you to. Because of you, they moved him out of ICU and into Constant Care where we could be with him at all times.

We were both blessed to have you in our lives and will forever hold you in our hearts.

Much love, Pat and Charlotte Flanary

“ Maurice, we went through a lot and my Dad thought the world of you. I had wanted to see you one more time , but ,alas, God wanted you first. I now cherish our memories and talked to Sue recently. I told her of our "non" relationship and I think she understood. RIP and I will be following someday. We can have our long talk on that glorious day!!!
