“ *I have a lifetime of memories that I shared with Merl & his entire family. I loved him & I know that he loved me too. He had a huge heart & would do anything for the people he loved. I like to think that he has been reunited with Bobbi Lois & that they are happy somewhere, together. He loved her dearly & she loved him back. Merl was always honest with me & he treated me like a little sister. I will miss him. My prayers go out to his family & especially to his Baby Girl, Phoebe.*
