“ Killed me when I heard boss if it wasn't for you me and my family wouldn't be where we are today you was the one that hired me and was willing to give me a chance with Asplundh, and even gave me the nick name that has stuck the whole time one of the greatest bosses I've ever had and I enjoyed working all the out of state storms with you, you were awesome to just be around and could always turn a bad day upside down, me and my family will be forever grateful for you and we are deeply saddened that you are no longer with us see you again one day boss.

“ I can't believe this is happening. Knowing I won't hear your laugh again is heart wrenching. Rest easy my dear friend. You are incredibly missed already. We just talked the day before and I wish things could have been different for you. We love you, long lost brother, you were an great man and an amazing friend. I am lost without your daily tests and calls. I will forever miss you. ❤️

“ *Michael and I grew up together on Longfork, we were friends as long as I can remember. He and I rode to graduation together. There was never a time that he wouldn't do whatever he could to help anyone and where he was not always joking around with you to make you laugh even if you didn't want to. He will definitely be greatly missed by all that knew him.* ”
