“ *I hate to hear this about Michael, he was so young. I knew him when he worked at Subway and I thought the world of him. He was always so fun to talk to.*

“ I am so sad to hear this news. Michael was one of my only friends at a time in my life when I really needed a true friend. He helped me and my family in ways that I can't explain. He was the bright light in my dark tunnel when I needed it the most. I will always cherish the memories of us eating subway sandwiches on his balcony and talking till the wee early morning hours. I will never forget the make over He gave me once. He cut and highlighted my hair better than most professionals. He was an amazing person. He was kind, empathetic, loving, smart, and a truly inspiring individual. I am proud and honored to have known him and call him my friend. I will miss him greatly.
