“ *I'm so sorry for your loss. I worked with Fridge when we both worked for the Elkhorn City Police Dept. I had just started and he was my Sergeant. He was so funny and full of life. We both worked there for a few years then we both ended up working for Johnson County Sheriff Dept. He was so professional and we would go hang out on our off time shooting basketball or going to the gym. If anybody needed anything he would be there. He loved his wife and valued family. I will always remember you brother and my thoughts and prayers go out to the family. You will be truly missed. Nate Little*
