“ *I am remembering the day our brother was born. Mom went to the hospital on High Street in Pikeville on Halloween, but Mike wasn't born till early the next morning! He weighed 9 pounds & was so,beautiful. Mom named him after Dad's brother, Claude Johnson because when she went in labor, he took her to the hospital, Dad was at work in Virginia. So Michael Claude was OUR baby. He & Tom had a successful Auto Painting & Detailing,business on 3 mile. Bruce Walter's gave them all his,business. When the cars were finished they looked brand new. For many years they,they worked independently. But once side effects from breathing paint fumes began to appear, they both had to close shop & retire. He & Tom took excellent care of Dad & Mom once illnesses arose. As our cousin mentioned, Mike was a son any mother would be proud to have. We love and miss him, but will see him and our,sisters; Nancy & Betty (Boo) at the Family Reunion when Jesus Returns! ❤️🙏❤️*

“ *I'm so sorry for Michael Stiltner's family loss. As a little boy he was always by his mom's side. When we would visit KY. As we were all growing up Mike and his brother Tom were always together. All the loving and care my Aunt Liz gave her kids they then returned the kindness and love by taking care of her in her elder years. Mike was a son every mother would want. RIP All my love*
