“ *When I first came into the Johnson family back in 1978, I stayed with his mom Lois & family. They treated me just like I was a member of their family. The one thing that will always stay in my heart, Milford was 9 years old at the time, he had made a comment about the size of my nose. I never will forget that special little boy saying that silly thing. You deserve to rest now Milford in the arms of our sweet Jesus. You will be missed but never forgotten.....🙏❤️*
