Audrey was so sorry to hear of Morris' passing. I know he was a very good man because Ollie talked about him all the time and what a good brother he was. My name is Sherry Belcher that was such good friends with Ollie, She also did house work for me, I hope you remember me I now live in Tn., and I was at Ollie's funeral. I could write a book but I will always feel close to you, sorry I couldn't be there but having medical problems and didn't know in time. Always know that you are in my thoughts and Prayers. I love you.
