“ No words can describe what the world has lost today. Nathan Bentley was not only a great man but a wonderful friend to me and many other individuals in the community. I have a lot of child hood memories with Nathan and Me. He always kept you in perspective, and made you feel special. I used to love riding in his Nova. As time past by we drifted apart in our on life's journey. Nathan Bentley you will never be forgotten. RIP One of Gods new Soldiers.
