Wonderful brother in Christ, and a dear friend to all, a deacon in Dorton general baptist church, never shuned any job he was ask to do for the lord, the love he showed his church family was unending, a true man of god that was admired by all who knew him, adored and loved by Rhonda his wife, Jordan, his son and his daughter Brandi, and those precious grandchildren, our hearts are broken over Noah's passing, but joyful for him in his new home, keep the lights on brother for we're coming home one day, never to part again❤️

*I know there are no words that can bring comfort right now. I pray that the Lord will heal your broken hearts. I worked with Noah in the MSHA District 6 Electrical Department. He was a good guy and easy to get along with. He always laughed when he saw me coming because it was usually to get on to him about uploading his timesheet and he knew it.*

*Our loss here is Heaven's gain. My heart and prayers are for comfort for Rhonda, Jordan, Brandi and the grandkids, because brother Noah is with the Lord Words can't express the love I have for our dear brother Noah and his family. I was blessed to have worked with Noah and that was just the beginning of our friendship. I thank God for bringing Noah and his family into my life. A simple invite of "come to church with me" led to my putting my faith in our Lord and Savior Jesus Christ. Thank You brother Noah for sharing the love of Christ, we will meet again.*
