“ Aunt Nova was loving and fun. She loved family and had a great outlook and unbelievable sense of humor. She and Uncle Dona together could keep everybody laughing for hours, telling tales about the old days.

I spent a lot of my youth in her home, staying with my cousins in the summer or on a weekend. One thing I can say for sure, Aunt Nova was one of the best cooks on the planet. You haven't had green beans if you never ate them from Nova's kitchen. I'll miss her forever and think of her often, especially when I see a wash cloth. She made me brush my teeth with one if I forgot my toothbrush. Vicki, Marsha, and Marty, I pray that all the beautiful memories help to comfort your hearts.
