“ My heart goes out to the Tackett family as each, and every one suffers the loss of Obie Tackett. As well as being a man with a keen sense of humor, he was also a man of sincerity, and was very caring! Very few people I've considered as being a true friend in my life. Obie was one of them, as well as, the rest of the family! I have so much to say, but yet, I'm in loss of words! My heart is really deepened for each and every one of you who reads this. Obie, as well as the rest of the Tackett family, has really helped me through some rough times in my life, and has taught me a very important lesson with humanity and respect for others! Even though I was unable to make it to today's funeral, I just want you to know my heart is with you as you are grieving! Always embrace the times you've had and I hope you find peace and tranquility as you try to make it through these hard times.... Tom Floyd

Thank you so very much for your kind words regarding my Daddy Tom. Daddy would have given anyone the shirt off his back if they needed it. He truly was a great man..... Traci

“ *love and miss u Obie!!! You are in a better place and I hope one day I will get to see u again. All the memories of you makes me smile. It never has felt right going to a horse show and not hearing your voice. Always loved hearing u announce horse shows. It doesn't feel right painting a house and u not around laughing and joking. I miss all the times I would meet u with work release to help u open up pools. Just about everything I do reminds me of u and something we have done together. Will always think about u. Can't wait till we meet again. I remember u coming to walmart almost every morning to see dee and I'd be working the register. Gonna miss you so much. Love u.*
