“ So sorry .I met Orville when I lived with my grandparents Gen and Mae Branham. I was probably around 8 years old.He was a great friend to my grandpaw who ran a shooting match.He came to our house so many many times.He would also take my grandpaw places because he didn't drive. We all liked him very much and Ruby,Ricky, and Randy.I will never forget what a nice man he was. Love and prayers for the family.

“ Orville was one of the kindest persons that I have ever met. He was always the same when my mom and I would visit him. I can't believe how hard he worked all the time. He didn't let health and age get him down. I truly believe he lived life to the fullest. I will certainly miss you, my dear friend.

“ So very sorry to hear about your loss. I did not know Orville, but have worked with Shawn for the past year. I know that Orville must have been a great man to influence and mold Shawn in to the person I know today. Please let me know if I can be of assistance in any way.
