“ One of the sweetest kind hearts I ever met. Rachel you were always good to me and I will and have missed you so much already. Even though we didn't know each other long, I am thankful for the time I did know you and glad we met. So sad that your life was cut short. I'll never forget you sis and how you give me clothes and tried to make me feel good about myself and always tried to be positive no matter what you were going through. I always enjoyed talking with you. I wish you could have been here with us all and your babies a while longer.
RIP 🕊️😭💔
