“ I have so many memories there is no possible way to share them all. He was without a doubt the best one anyone could of ever had. How many other 10 and 12 year olds could say they had a truck of their own to drive in a huge bottom. Well we did because of Raymond and so much more. Bikes, remotecontrol cars, guitars, but the best was the ball gloves and passing with him. Playing basketball in the bottom with it seemed like every young person in town. And raymond always hit his bank shots. The one time he was teaching us to pass ball and told me keep your eye on the ball and he threw the ball and i never tried catching it i just KEPT MY EYE ON THE BALL and it hit me in the head. Raymond just laughed his Gene wilder type laugh and im gonna miss him so much. The things i learnt from him could never be taught in school and ill never forget. I LOVE U SO MUCH UNCLE RAYMONE ILL ALWAYS MISS U BUT NEVER FORGET U. U R THE BEST UNCLE AND ROLEMODEL A CHILD OR YOUNGMAN COULD HAVE EVER HAD. I want to say so much more because if anyone deserves a good word its u. But i know u didnt like to be bragged on or anything like that but i have to say you were the best and we are so blessed to of had such a great uncle like u.  
LOVE U SO MUCH RAYMOND

“ Raymon was big into sports and had all the guys around our community excited to watch and and play ball. We would go up in the mountains and pick trees to cut and make basketball goals. He had the best court and goal structure around. I remember waiting in line to play the winners and it was extremely competitive. He would always have it ready to go. Miss Raymon and those days. Prayers for the family!

“ *So many memories, Raymond was more a brother than a cousin.. He had a small drawer for his collectibles — mostly marbles as I remember.*

*Summer stays were so fun. Running the store for Mary and Cyell.*

*We ate more than we sold.*

*Raymond, without pain and being embraced by family gone before.*

*My love for you will be with your memories.*
